

# Revised DSOR Process Chart for Initial DSOR Decision

# DSOR Revalidation Process Chart for Fielded Equipment

\* Review initiation may be time or event driven and may or may not require a full BCA. Reviews will be either initiated by the appropriate program office via MCSC/PEO LS, or coordinated through the TLCM Corporate Board (TCB). The TCB is the entry point for proposed reviews that are initiated by stakeholders outside of MCSC/PEO LS.

\*\* IAW MCSC Maintenance Planning and Management process which includes stakeholder collaboration
